**From the Saints**

The Holy Scriptures lead us to God and open the path  
to the knowledge of God. *St. John Chrysostom*

We know and are convinced that falling away from  
the Church, whether into schism, heresy, or  
sectarianism, is complete perdition and spiritual  
death. For us there is no Christianity outside of the  
Church. If Christ established the Church, and the  
Church is His Body, then to be cut of from His Body is  
to die. *St. Hilarion Troitsky*

With all your power, ask the Lord for humility and  
brotherly love, because God freely gives His grace for  
love towards one's brother. Do an experiment on  
yourself: one day ask God for love towards your  
brother, and another day - live without love. You will  
see the difference. *St. Silouan the Athonite*

**Mother's Day**

Once upon a time, there was a child ready to be born. So one day he asked God: "They tell me you are sending me to earth tomorrow but how am I going to live there being so small and helpless?" God replied: "Among the many angels, I chose one for you. She will be waiting for you and will take care of you." Said the child, "But tell me, here in Heaven, I don't do anything else but sing and smile, that's enough for me to be happy. And how am I going to be able to understand when people talk to me, if I don't know the language that men talk?" God responded, "Your angel will tell you the most beautiful and sweet words you will ever hear, and with much patience and care, your angel will teach you how to speak." "And what am I going to do when I want to talk to you?" "Your angel will place your hands together and will teach you how to pray." "I've heard that on earth there are bad men, who will protect me?" "Your angel will defend you even if it means risking its own life." "But I will always be sad because I will not see you anymore." "Your angel will always talk to you about me and will teach you the way for you to come back to me, even though I will always be next to you." At that moment there was much peace in Heaven, but voices from earth could already be heard, and the child in a hurry asked softly: "Oh Father, if I am about to leave now, please tell me my angel's name." Said God, "Your angel's name is of no importance. You will simply call her MOM.

No one deserves a special day all to herself more than today's Mom. A cartoon showed a psychologist talking to his patient: "Let's see," he said, "You spend 50 percent of your energy on your job, 50 percent on your husband and 50 percent on your children. I think I see your problem."
