Catholic Quotes

"We are living through difficult days because the persecution against the Church is raging more than ever, but this should not frighten you, brave and good young people. Always remember that the Church is a divine institution and it cannot come to an end." – Blessed Pier Giorgio Frassati

"For those who hope for salvation, no political loyalty can ever take precedence over loyalty to the Lord Jesus Christ and to his Gospel of Life. God is not mocked, and as the Bible clearly teaches, after this passing instant of life on earth, God's great mercy in time will give way to God's perfect judgment in eternity." – Bishop Daniel Jenky

"Every great religious renewal in America has led to an advance in civil rights — from the Declaration of Independence and the Bill of Rights to the end of slavery and the pursuit of racial equality. But all of this has been achieved in the face of established power structures strongly and often violently opposed to these rights.." – Carl Anderson

"The world would have peace if only men of politics would follow the Gospels." – Saint Bridget of Sweden

"God's universal providence works through secondary causes.... The world of pure spirits stretches between the Divine Nature and the world of human beings; because Divine Wisdom has ordained that the higher should look after the lower, Angels execute the Divine plan for human salvation: they are our Guardians, who free us when hindered and help to bring us home." Saint Thomas Aquinas
